Old Business

Spring Rummage Sale: After expenses we cleared \$950. Thanks to all who donated items, purchased items, and helped at the sale. Special thanks to Jim & Shirley Borg for allowing us to use their garage.

Summer Training: The next training night is June 1. Training is every other Tuesday beginning at 6:00 PM or whenever you can get there.

Fall Test: To date, 5 dogs are scheduled for UT, 1 for UTP, and 6 for NA. Please submit your entry fees and test documents to Pete & Sherry as soon as possible.

New Business

Raffle: It was agreed not to hold a raffle this year.

Pheasants Forever Youth Shoot & Youth Hunt: PF is hosting a youth shoot at Capital City Sporting Clays on June 26 & 27. A handler & dog are need for both days to provide a pointing dog demo to the participants. Contact Ben Sand if you would like to volunteer (blsand@nd.gov or 320-290-3190)

PF is also hosting a youth hunt at Capital City Sporting Clays on September 25 & 26. Eight handlers & dogs are needed each day to take kids on a controlled hunt. This is another great opportunity to introduce young hunters to the world of versatile pointing dogs. Ben is also the contact person for this event; please consider donating your time to this worthy event.

Next meeting: June 21, 2010 at 7 PM hosted by the Dorfschmidt's. Bring meat for the grill and drinks for the gullet.

Meeting adjourned.

NOTE: Linda was not at the meeting, so Phil took notes. Phil also typed the minutes because Linda still can't read his handwriting. (Note from Linda: I can read his handwriting, but couldn't understand his super brief notes!)
